

BIGGEST PART OF ME (I WANT YOU TO KNOW)

Words & Music by Dino Rustin

INTRO: G - C - G - C>F

G - C - G - C>F

Your smile lights up my world...It's everything I need
You've opened up my eyes...To everything beautiful that surrounds me

Am - C - Am - C

And you don't know just what you've done to me
You've given me life; you've set me free

C - D - G - C

And I want you to know
That you've changed my life into everything right
And I want you to know
That you've changed my darkness into light

Am - D - C>C/B>Am

And I hope you can see
That you'll always be the biggest part of me

Your laugh lights up my life
Gives me a reason to believe
That I've been given everything
And everything in between

And you don't know just what I would do for you
I'll never leave your side in anything you choose to do

And I want you to know
That you've changed my life into everything right
And I want you to know
That you've changed my darkness into light
And I hope you can see
That you'll always be the biggest part of me

Dm - G - Dm - G =

But sometimes it's hard to work it out
Figuring what this life is all about

Dm - G - Am - G

I've been given just a little glimpse so far
But I know...it's beautiful...

And I want you to know
That you've changed my life into everything right
And I want you to know
That you've changed my darkness into light
And I hope you can see
That you'll always be the biggest part of me
